Member Flores reported that she and Dr. Wyatt attended the vigil for Jade Maldonado and several parents including Jade's mom asked them to do something about the crosswalk. She commented that she knows the District is going to work with the city to address, maybe speed bumps or more stop signs. Dr. Flores reported that the California Latino School Boards Association will be holding their annual Unity Conference this week in Del Mar, focusing on civil rights, ethnic studies, and servant leadership of board members. Board President Medina will be part of a panel with other board presidents and Superintendent Torlakson, Assemblymembers Thurmond and Medina, Consuelo Kickbusch, and Dr. Ron Wilkes will be speakers; and 100 Puente students from Corona-Norco and Riverside school districts will be attending and sitting with district board members.

Member Hill commented that some school grounds are not looking good and was hoping Maintenance & Operations could put mowing lawns on the priority list. She gave the rest of her time to Ginger Ontiveros to speak on Clear Air Day. Mrs. Ontiveros shared that on October 3 at E. Neal Roberts Elementary School the community will gather to support our Safe Routes to School program and to celebrate California Clear Air Day, with the idea to encourage our families to reduce the number of vehicles idling in front of schools, by choosing to walk to school. Community members and district staff will join students in walking to school and then participate in an assembly, which students will take a "clean air" pledge. This effort is led by Dignity Health and Southern California Gas.

Vice President Rodgers asked if the District was still on a mandated "watering schedule"; would like more information on the recent Multicultural event because the District has a lot of partners in certain areas and hopes the District is reaching out to these partners for other types of events as well; she continues to hear rumors about students having to rush through lunch time and running out of meals and asked that it be looked into so that if it is not true the rumors can be dispelled; asked for additional clarity on the Transportation's Empty Seat program; she would like the counseling report to be listed as an initiative rather than a report; and questioned if the District was looking into expanding the Dual Immersion program. She applauded Cajon High

School on their text reminders for different events saying they now have one on helping to fight Ds and Fs. Mrs. Rodgers invited everyone to attend the Safety Summit on October 17 at 8 am – 3 pm in the District’s Professional Development Center. She reminded everyone that this month is Breast Cancer Awareness Month.

Member Wyatt thanked Ginger Ontiveros for her amazing presentation at CSBA’s Meet and Greet. He attended the Junior ROTC 15th Annual Sports Day Competition at Arroyo Valley High School; our district hosted a number of school districts; he thanked Major Williams for the invitation to the event. In light of the recent tragedy, Dr. Wyatt asked parents and the community to work together and take extra care as we take and pick up our students from school.

President Medina wanted to remind parents, students, and the community to stay safe and take precautions when going to and from school. She commented that it is the District that has been paying for the crossing guards at schools, not the city and hopes that when Dr. Marsden meets with city leaders they can find ways for the city to help the District as it impacts our whole community. Mrs. Medina commented that October 11 is the National Coming Out Day for the LGBTQ community.

9.6 Comments by Superintendent and Staff Members

Dr. Marsden reported he attended the CWA annual conference September 4-6; EdTrust West conference September 12-13; NABE conference September 14; the Black Rose event September 28 and San Bernardino County Superintendent of Schools’ State of Education September 27 which highlighted the academic achievements of districts throughout the county. Dr. Marsden recognized Board Member Dr. Hill for receiving the 2018 Exemplary Woman in Education award by the Association of California School Administrators and for being selected as the 2018 Community Action Legacy Award honoree by the Community Action Partnership. He commented that school sites distributed letters to parents regarding pedestrian safety and said that he is coordinating a meeting with City partners to brainstorm safety needs and develop best solutions.
